March 10, 2020

Dear Parents, Guardians & Members of The Abaco Community:

The Archdiocese of Nassau – Catholic Board of Education is continuing its efforts to repair St. Francis de Sales School after Hurricane Dorian.

To date, repairs to the least damaged building that accommodated the Kindergarten to Grade 2 classes along with their restrooms have been completed. The building was repaired by a non-government organization for which we are grateful. A contractor engaged by The Board has begun restoring the Pre-Kindergarten building that sits atop the hill on the campus.

We reiterate that St. Francis de Sales School is by no means ready for use and the campus remains a construction site. We further advise that The Catholic Board of Education is the only entity authorized to speak on the status of the school and all information regarding the school shall be channeled through the Office of The Director.

Our appreciation is extended to all who have supported us in various ways and we ask for your prayers as we continue to restore our school community.

Sincerely,

Claudette A. Rolle (Mrs.)
Director of Catholic Education
