

HAPPY
Easter

Jesus Christ is risen today...Alleluia!

A happy and joyous Easter to you all! The Easter season is at the heart of the Catholic faith and ushers in a time of rebirth and renewal. It is a fifty-day celebration of joy when we traditionally bask in the peace and love of a Risen Lord! This holy season always reminds us to keep hope alive, for there is nothing impossible with God. Our God has the power over life and even over death. He can do all things!

For a third year we will celebrate Easter while in the midst of a global pandemic. Although, COVID 19 has brought unprecedented challenges and changes, it has also made this season more meaningful than ever before for many people. Today our global society is poised to resume a state of normalcy. Therefore, we are all invited to take advantage of the opportunity this remarkable season provides by renewing ourselves through our faith and our relationship with the Lord Jesus Christ.

As we continue to navigate the uncertainty of this pandemic it is crucial that His presence lives in our schools, our homes and our wider communities. Indeed, we are called to remain hopeful as we celebrate the good news that Christ is risen.

Let us continue to rejoice in His rising and remember that it is “***...because He lives that we can face tomorrow***” with a promise of brighter days ahead.

May the Joy and Peace of the Risen Christ be yours today and always!

HAPPY EASTER!
