MESSAGE**

Dr. Alexandria Roberts-Bowe
Director of Catholic Education

Dear Catholic School Family:

Welcome back to a new academic year!!!

The lazy days of summer vacation have quickly passed, and we are at the threshold of the 137th anniversary of Catholic Education in The Bahamas. As we start a new academic year, I am filled with optimism and excitement.

This year's theme, **"One Faith, One Light, One Journey,"** urges us to move forward together with purpose and confidence. To move forward as people of faith who recognize that God is the core of our existence and our ultimate source. To stand on His word and aim to live our lives as beacons of His light through our thoughts, words and actions. Finally, to acknowledge that we are a community of believers who are on a journey with God always at our side.

To our parents and stakeholders, we remain resolute in our commitment to providing a holistic, nurturing learning environment. One that is intent on developing Christian leaders who are academically adept, well-rounded, loving, healthy, lifelong learners, committed to caring for our environment and understanding fiscal prudence. We look forward to your continued support and collaboration and we thank you wholeheartedly for choosing Catholic Education.

To our dear scholars, the new school year brings an opportunity for a fresh start. At the start of this school year, know that we believe in you and the endless possibilities that you possess. There are many chapters yet to be encountered; be confident, work hard, remember your manners and trust in God always. Have an amazing year!

Peace & God's Blessings,

Alexandria Roberts-Bowe, Ed.D.
